GUARANTEE

GDR will always endeavour to distribute 100 per cent of the material given to us by a client, however, due to events beyond the control of GDR we offer the following guarantees:

- If some of your material is dumped and it is proved to be done by one of GDR's distribution agents, you must notify GDR immediately providing the exact location of the dumping so that GDR can take proper action to rectify the problem. GDR will then confirm the dumping by immediately sending a supervisor to the location to recover the material and then GDR will redistribute the material at its expense.
- If the client fails to notify GDR of the dumping and fails to make any contact with GDR regarding any other complaints within seventy-two (72) hours of completion of the job, GDR will be released of any responsibility associated with the distribution campaign.
- If a complaint is received from a client but there is no means of verifying the complaint, ie. no witnesses, no material found, no names or addresses given and no other means of proving the complaint is true, GDR will be released of any responsibility to take any further action.

GDR DOES NOT in any way guarantee that your company will generate business from the letterbox distribution campaign.
